

Getting married Stuzzi-style

STUZZI

Stuzzi are a Michelin rated restaurant based in the heart of Harrogate, established in 2014 by 4 friends with a passion for everything Italian. Italian style family weddings are our specialità!

Within weeks of opening, requests to cater our customers' weddings flew in and we tailored our passion for authentic Italian dining to big parties, where family-focused meals are at the heart of the celebration. Bringing everyone together through good food, even better drinks and an incredible atmosphere that sets the tone for the rest of your big day. We do it casual, fun and nothing like your traditional wedding breakfast.

# The Chapel

Grove Road, Harrogate, HG1 5EW

This stunning grade II listed chapel conversion has been sympathetically restored to provide a distinctive historic yet contemporary boutique Bed and Breakfast and wedding venue in the heart of Harrogate town. With its eccentric and eclectic curation of decor from different eras, The Chapel is the perfect place for a truly unique wedding.

The locale has a range of en-suite bedrooms, all themed and showcasing exotic flavours of South and Southeast Asia, two living spaces, one styled as a men's smoking room and its counterpart as a women's boudoir, filled with all manner of ephemera.

The Chapel's 50ft high atrium is a beautifully designed open plan space and serves as the perfect setting for the ceremony and wedding breakfast. A superb pairing for our amazing family style weddings, with its private garden and balcony, there isn't an inch of space that doesn't tell a story!
